Just how much He loves me."

Highpoint? "The opportunity to talk about God to a receptive and 'hungry' audience—that was also the lowpoint—that they were so hungry and the time was so short, plus the sick babies broke my heart."

## Prayer and Praise

↑ Thanks for protection, an excellent Team and a ministry in Uganda. Three did have some sickness, but no serious outcomes.

↑ Judi needs wisdom to know what she is supposed to do and discipline. She has fewer bad headaches and really appreciates your prayers.

↑ Jim needs discernment to know God's assign-

ments and ability to complete them well, with love. He also needs open doors for ministry in the AFAM community.

↑ We should have a funding decision from our church by Nov. 17th on significant projects in Uganda and Sudan.

↑ For enduring fruit in the Westside street ministry. 7 Covenant College students have joined us for 6 weeks. Pray for "Moon"-bitter.

↑ Pray for the ability to determine how many AFAM crosscultural missionaries exist.

↑ Wisdom is needed concerning a Dominica team (Feb.-03) and to gather the Uganda July-03 Team.

↑ Prayer for Studies — Vibration Mech., & Megatronics (Tim); Instrument Flight (Ethan) and a thesis proposal (Susanna). Naomi's Ukraine mission trip went well.
